**243 Development Control**

**a) 0523/10 Higher Shapley, Chagford**

Proposed erection of an agricultural building

**Resolved:** The Council remains very concerned regarding the continued “ribbon” style development of large agricultural buildings alongside the entrance road extending further away from the farmhouse. However, given the DNPA decision regarding Application 0403/01, the Council has decided not to object to this application but request that there be a condition associated with any approval that a landscaping planting scheme be implemented to provide a visual barrier in front of the north elevation of the new building.

**b) 0535/10 Teign Marsh, Chagford**

Proposed single storey extension to rear and improvements to existing workshop.

**Resolved:** The Council is supportive of this application.
